# Educate — build trust

All of the herbs used in Annabis are simply magical! Let them steal the spotlight in educational carousels.

## Malaleuca

(Melaleuca Leucadendra)

A robust deciduous tree, referred to as a cousin of the tea tree. It is native to Mali but grows wild in Florida, Australia, Indonesia and Vietnam. It is used as one of the ingredients in the famous Tiger Balm.

- ✓ relieves musculoskeletal pain
- ✓ antifungal and antiviral
- ✓ natural preservative
- ✓ stimulates blood circulation to the skin

This slide has a teal header with a green leaf illustration on the left. A blue arrow points to the right at the bottom.

## Where can you try it?

warming gel for joints

local muscle massage

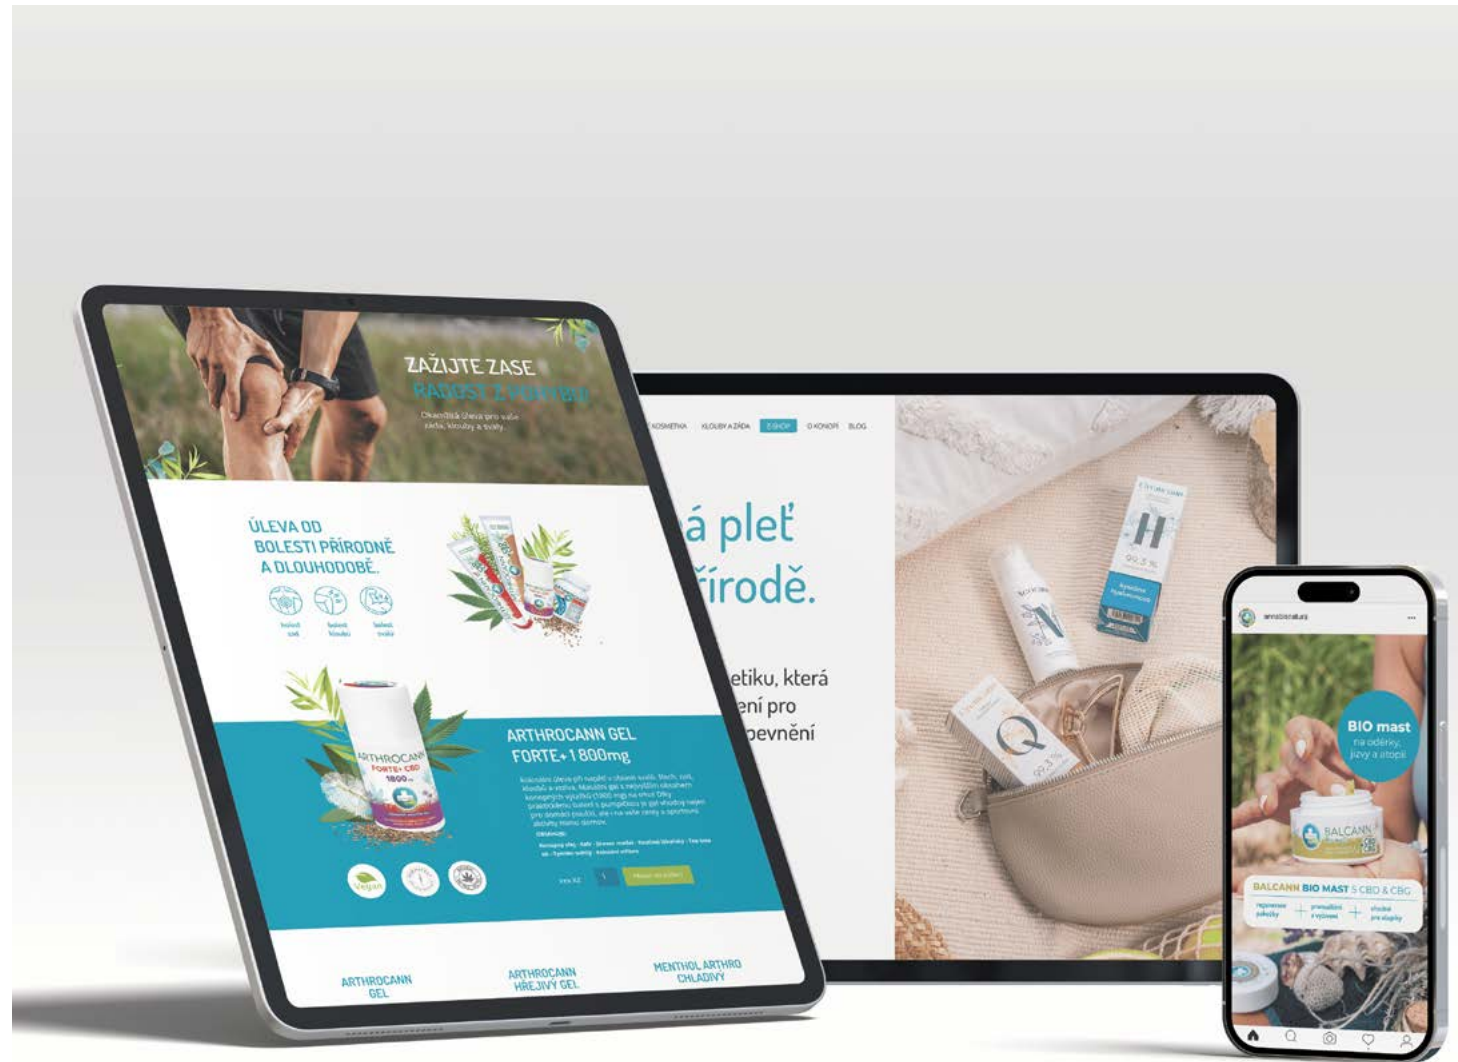

gel for back pain in a practical package with a pump

READ MORE

This slide shows three Annabisarium products: a tube of warming gel, a tube of local muscle massage, and a pump package of gel for back pain. The Annabisarium logo is in the top right corner. A blue arrow points to the right at the bottom.
